I've got a district case in Pittsfield scheduled that day, though I don't know if it will go. I'll get in contact with the ADA ASAP to find out more. If you think that you probably won't need me until Wednesday (the 29th), I'll let you know that I am on call for Chicopee, so it would be possible for me to get to both. And nobody in the lab has actually had to testify there, so I doubt that I will be needed. If you are going to need me on Tuesday, I'll be there as Superior Court trumps District.

Since I haven't heard from you yet, I'm guessing that I'm not going to be needed today, so I'm going to take off a little early from work (too nice of a day not to). If you do need me today, just call me on my cell, and I will be there. If you're going to need me tomorrow, just let me know if you still want me on call or if you want me there at a set time. Thanks.

Good morning Sonja,

Crapps' attorney called in sick today so the trial will not begin until tomorrow. That means that it is possible that I would not get to you until wednesday, does that present any problems for you? If it does, I'll make sure to call you tomorrow.

Thanks!!

Hi Sonja, thanks for getting back. The case will not be going today, and unfortunately I don't have a definitive answer regarding when it will go, it may be the end of this week or next, what's your schedule look like next week? I'll let you know as soon as I find when this will go, thanks, and good luck at the dentist!!!!

On call would be fine, although I do ask that if I am needed, you go out of order and get me on first so I can make my dentist appt. at 3:15 (or get me on sometime tomorrow). Calling me on the office number would probably be better, though either would be okay. Thanks.

Thanks, Sonja. I have been called to trial on this matter tomorrow. It will probably be a plea, so if it works for you, I'd like to put you on call for this case, too. Would you rather I call your cell phone or office number?

Thanks!!
